Copy of letter Dis.No.5431 of 1955 dated 8th October, 1955 from the District Judge of South Kanara to the Registrar, High Court, Madras.

Sub:- Buildings - District Munsif's Court, Karkal - Provision of electric installation to the Court building - Plan and estimate - Submitted.

The District Munsif, Karkal reports that the provision of electric installation to his court building is absolutely necessary as during the monsoon period from June to October, it gets dark even during day-time, making it sometimes impossible to work in the Court-hall and in the office; and he has submitted a plan and estimate for Rs.1260/- furnished by the Public Works Department for the said work. There is supply of electricity in Karkal. As the plan and estimate were not received from the Public Works Department at the time of submission of the list of minor works for the year 1956-57, this item could not be included in that list.

2. The plan and estimate are submitted herewith. As the work is urgent, I request that the High Court may be pleased to obtain sanction of the Government for its execution during the current year.

Yours faithfully,

(Sd.) P. Sankara Menon,

District Judge.
